- These financial results have been prepared in accordance with IND AS and the recognition and measurement principles laid down in Ind AS-34 Interim financial reporting prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder.
- The Statutory Auditors have carried out limited review of the Un-audited financial results of the Company for the quarter ended 30th June, 2020.
- The above financial results for the quarter ended 30th June, 2020 were reviewed by the Audit Committee and thereafter taken on record by the Board of Directors in its meeting held on 14.08.2020.
- As per the requirements of Ind AS, no disclosure is required as the Company is operating in only one segment i.e. Textiles.
- Previous years figures have been re-grouped and re-classified wherever necessary to make them comparable.
- The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite period of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Our operations were completely at stand still since Lockdown started and continued till 31st May 2020. We do not foresee any major sales transactions and will take a quarter more to stabilize.
